PHONE: (717) 566-2555  
FAX: (717) 566-3324

The Borough of Hummelstown is seeking price estimates for contracted grass cutting services on Borough owned properties. In an effort to more efficiently utilize Borough manpower and equipment, we are exploring options to better serve our residents and taxpayers.

Currently, Hummelstown Public Work employees cut grass on municipal owned properties throughout the Borough. There are approximately 17 Borough locations, measuring 23 acres of grass.

The Borough is interested in seeking cost estimates for grass cutting service for the following;

- Cost to mow all 23 acres
- Cost to mow all areas, except Schaffner Park, Alexander Park, Mehaffie Park and Shope Field

(Please refer to the following pages for location information)

For the purpose of providing an estimate, grass cutting services should include:

- Grass cutting
- String trimming
- Blowing of hardscapes

The grass cutting season begins weekly in April, finishing in October/November for approximately 26 cuts.

Cost estimates are not binding and would serve as approximate cost estimates for research purposes only.

Please provide 2 price quotes. Option 1 – all properties. Option 2 - all properties, except Schaffner Park, Alexander Park, Hummel Nature Trail, Shope Field, and Mehaffie Park.

Estimates and inquiries should be directed to Assistant Borough Manager JD Hess, by emailing [jhess@hummelstown.gov](mailto:jhess@hummelstown.gov) or 717-798-9085.

# Grass Cutting Locations
